

Maghull High News

Aspire Achieve Enjoy

3 November—
7 November

Hello and welcome to the first newsletter of this half term. The following half term looks to be one of our busiest yet with our school production of Legally Blonde set to take place, mock exams for GCSE and A Level classes, as well our annual Presentation Evening and Sixth Form Open Evening. During half term, our Latin Excellence students enjoyed a visit to Rome, whilst several students took part in the Harrison Lynch Football Tournament with Maghull Town Council and Maghull Football Club. We have been thrilled to see students' successes in their extra-curricular activities outside of school which we have shared in this week's newsletter.

Latin Excellence Trip to Rome

At the end of half term, students studying Latin embarked on a visit to Rome. Here, students were able to explore the classical world, including a visit to the Colosseum. Thank you to Miss Reeve for organising such a fantastic trip with our students, and to Mr McQuade and Mr Moran for their support in attending the visit to Rome. Students and staff loved their Latin hoodies and merchandise and even went as far as to create a personalised hoodie for Miss Reeve as a thank you for taking them away. Students have not only developed their knowledge, but also made memories for life.

Parking Near School

Please can all parents and carers who drop-off and pick-up students on Ormonde Drive or Gainsborough Avenue please be considerate of parking and litter. If possible, we encourage students to use buses, cycle or walk to school.

Nut Free School

A polite reminder that Maghull High School is a Nut Free School. Most school classrooms will have at least one allergic pupil. To protect our school community Maghull High School is ensuring we are a Nut Free School.

Rewards and Recognition

Congratulations to this week's Headteacher's Award Winners: Jack, Maisey, Mila and Luccia.

Future Ready and Fired Up

On Monday we celebrated our Student Careers Champions, as part of our Trust focus on Careers Education, by diving into the industries shaping tomorrow's workforce. From designing eye-catching posters to leading assemblies and creating informative displays, our champions are ready to empower both staff and students with the knowledge to thrive in growth sectors.

Year 9 Visit to Liverpool Hope University

On Thursday, year 9 attended a fantastic event organised by All About Futures and delivered by representatives from SP Energy Networks, hosted by Liverpool Hope University. Our students worked through a series of activities developing their key skills of team work, problem solving, communication and so much more. Students enjoyed meeting the teams from SP Energy Networks to learn all about their jobs and the importance of electricity now and in the future. Our students were outstanding with their participation and behaviour and were a credit to Maghull High School.

Duke of Edinburgh

The Duke of Edinburgh's Award celebration event, held at Greenbank High School, was a great success with students from the Southport Learning Trust schools proudly receiving their certificates from Lord Lieutenant of Merseyside, Mark Blundell. It was a fantastic opportunity for students to recognise their hard work, resilience and commitment to personal growth, adventure and community involvement.

LFC Foundation Winners

On the final day of half term, Maghull High School students visited Anfield as part of the LFC Foundation which saw more than 140 local school children take part. Students were exploring how they can make a difference through social action and sustainability—inspired by The Red Way: Liverpool FC's sustainability strategy.

During the day, pupils learned about key sustainability themes linked to The Red Way, including climate change, gender equality and responsible consumption, and explored how they can take positive action within their schools and communities.

Participants then took part in interactive workshops, where they worked together in teams to design and present their own social action projects aligned with United Nations Sustainable Development Goals of their choice.

Representatives from the club—including Rishi Jain, LFC's Director of Impact, and former goalkeeper and LFC Foundation Community Ambassador, Chris Kirkland—joined the judging panel to choose a winner from a range of inspiring and creative pitches.

In the secondary school session, Maghull High School took the top spot with their innovative idea to reduce chemicals in water and promote clean living with affordable water filters built using recycled plastics.

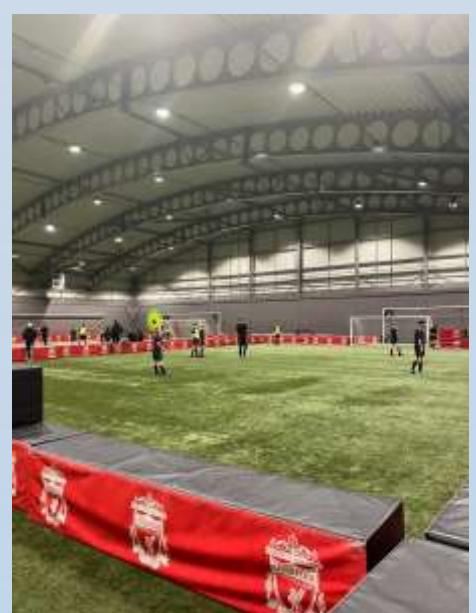

We are so proud of our students and their participation in this project. Thank you to Liverpool Football Club and LFC Foundation for hosting this fantastic event.

LFC Academy Visit

On Thursday, students in year 8 and year 12 travelled to Liverpool's Academy. Year 8 boys spent the afternoon playing in a tournament to help Liverpool's U18s achieve their referee qualifications. Meanwhile, year 12 Sports Studies students enjoyed a tour of the academy and lectures on sporting professions and sport science. The facilities were out of this world and our students had a great visit. We look forward to returning in the future with students across other year groups.

Student Spotlight

Mason and Riley Dawber

Congratulations to Mason and Riley Dawber who had huge success in the Unified World Championships held in Italy, recently. Mason is now a 2x World Champion after winning 1st place in his competition.

Riley picked up both silver and bronze awards in his categories.

Well done to both boys on this fantastic achievement.

Henry Searle

Well done to Henry Searle who took part in the British Ninja Competition last weekend and won! As a result, Henry has been invited to the finals for the World Ninja League in America. In addition to this, Henry will also be taking part in the European Ninja Championships in Poland next week. We wish him the best of luck and cannot wait to share what he achieves.
