Career Opportunities

Career spotlight: Academic researcher

Language skills can be used in almost any career, and particularly in businesses that trade internationally. At Key Stage 3, every half term we have a 'careers spotlight' where students read about a career in Languages. We have endeavoured to link the career with the topic or Key Skill focus for each half term where possible. Further reading can be found at <https://www.prospects.ac.uk/careers-advice/what-can-i-do-with-my-degree/modern-languages>

Language Ambassadors: complete an application form, develop leadership qualities

Further opportunities: this entire unit is focussed on careers as students are choosing their GCSE options. Students look at the advantages of studying languages as well as learn about jobs in Spanish.
