

MAGHULL HIGH NEWS

Maghull
High
School

1 June - 5 June

Welcome to this week's edition of our school newsletter. We are now into the final half term of the academic year and examinations are well underway for GCSE and A Level students. Year 11 students enjoyed their leavers assembly and annual shirt signing afternoon before half term. We have also had lots of student successes to celebrate from their achievements outside of school, as detailed in this week's newsletter.

IMPORTANT INFORMATION

- Work on our 3G pitch has begun. Due to construction work taking place, we ask that you do not drive onto school site when dropping off or collecting students. Only students/parents who require accessible parking will be granted permission to access the site during drop off and collection times.
- A polite reminder that Maghull High School is a Nut Free School. Most school classrooms will have at least one allergic student. To protect our school community Maghull High School is ensuring we are a Nut Free School.

REWARDS & RECOGNITION

Elliott Beaumont, George Heron, Eric Hanikan and Dylan Crozier are all in the Maghull RAF cadet squadron. Recently they all qualified as Leading Cadets, after completing challenges throughout the year, and were awarded the honour at a ceremony last week. These challenges included completing their cyber security training ; radio training; St John ambulance training; air rifle training and space syllabus. To achieve all of this success they have shown great perseverance, resilience, commitment and teamwork. Well done, boys - we are immensely proud of you.

Congratulations to Harry who played in the 'Junior Premier League National Final ' on Saturday 16th May in Gloucester with his team Burscough under 12s. The team were crowned champions following a fantastic 2-0 victory!

It's been a fantastic season for Harry and his team who have travelled the country, winning both home and away games.

In addition to this, after the final, Harry was chosen by the referee, match officials and the organisers as the game's Man of the Match, which is a testament to his hard work and desire.

REWARDS & RECOGNITION

Congratulations to Molly, Sophie & Violet who won 3-1 in the North West Cup Final for Sefton U14s against Salford on the weekend. The team are now both league and cup champions once again for another year running. Well done, girls! What a fantastic achievement

Congratulations to Matthew in year 7 who has had a fantastic season with his football team, St George's Panthers. Well done on your victories and success!

REWARDS & RECOGNITION

Congratulations to Abby who, following her victory in a recent Women's Grade 2 tennis match, has led to her moving up the ranking by 137 places meaning Abby is now 9th in Lancashire.

In addition, Abby has since received confirmation that she has secured a place to play at Wimbledon again this year in the U18s Women's Doubles with the first match taking place on 4 August. This is a fantastic opportunity for Abby and we look forward to following her journey.
Well done, Abby.

Congratulations to Hayden and Charlie who have not only won the National Cup with Sefton School Boys, they have also gone on to win the North West Cup. The team remain unbeaten in the league and are hoping to make Sefton School Boys history by winning the treble as they battle to win the league. We are very proud of the achievements of Charlie and Hayden on the pitch this season and look forward to following their success next season.

CLASS OF 2026

On Friday 22 May, we celebrated the class of 2026. Year 11 students enjoyed their annual shirt signing day and celebratory assembly. Students looked back on their last five years at Maghull High School as they watched video montages of their memories.

Students enjoyed spending the afternoon out on the field signing shirts with staff and their peers as they prepared to say their goodbyes to life at Maghull High School.

We wish them all lots of luck in their remaining examinations and look forward to celebrating their success on results day on Thursday 20 August. We're sure we will see many return to our Sixth Form from September and we are excited to see where their paths take them.

Goodbye and good luck to the class of 2026.

SHE INSPIRES

16 girls from Year 7 and Year 8 attended 'She Inspires Mass Engagement' event today.

Over 400 students enjoyed an engaging and action-packed day with on-pitch activities delivered by the LFC Foundation, Everton in the Community, and Liverpool FA, alongside a series of off-pitch activities organised by Merseyside Police, Merseyside Fire & Rescue & St John's Ambulance, providing exciting opportunities and activities for all students

UKMT JUNIOR MATHS CHALLENGE

This year, a number of Year 7 students took part in the annual UKMT Junior Mathematics Challenge, achieving fantastic results.

Jake and Alexis both earned Bronze awards, while Oscar and Ella received certificates of participation.

A special congratulations goes to Fred, who achieved a Gold award. His excellent performance has also secured him a place in the Junior Kangaroo follow-on round.

Well done to all students involved for their hard work and commitment!

Students were rewarded with a pizza lunch to celebrate.

DOT ART PRIZE GIVING

We are incredibly proud to celebrate the achievements of three of our talented Year 9 artists, Sophie, Molly and Amira, who attended the Dot Art Prize Giving this week.

This was a fantastic opportunity to recognise their creativity, hard work and dedication to art. The standard of work on display was exceptional, and it was wonderful to see our students represented among such talented young artists.

A very special mention goes to Amira, whose work is currently on display in the Walker Art Gallery — an outstanding achievement. Having artwork exhibited in such a prestigious venue is something to be extremely proud of.

Congratulations to all three students on this brilliant accomplishment — we look forward to seeing what you create next!
